

# Science of Mind - change your thinking, change your life!

The LAW is...	You create a spiritual prototype (your idea)
Impersonal	 <p>Data available from U.S. Geological Survey, EROS Data Center, Sioux Falls, SD</p>
Immutable (unchanging)	
Infinite and invisible	

The LAW does...	from spiritual prototype to reality
Works to create not destroy (positive)	
must respond	
will respond	
wants to return to harmony	
acts upon thought and spirit	
is always unifying	

I CREATE through the LAW...	To the extent I embody...
conscious mental use	
let inner spirit guide us	
Ultimate Reality	

The formula...		
Thoughts create...		change your thinking
Emotions create...		empower your thoughts with positivity
Actions create...	Manifestation	realize your ultimate reality
